

23rd July 2018

Dear Parents and Carers

The Governors would like to express their thanks to Mrs Carter for all her hard work and leadership since being at Duloe. Her knowledge and experience has been invaluable to maintaining the ethos of the school along with our Christian values.

Mrs Carter's achievements are far too numerous to mention, however she has;

- Taken us through successful Ofsted and church inspections all with Good / Outstanding reports.
- Duloe School's profile with the wider community is excellent and this is reflected on the pupil numbers which continues to increase.
- Had the vision for the nursery and its implementation.
- Was at the helm for taking Duloe through the 'Academy' journey and getting us to where we are now with joining the Bridge MAT.

Throughout her time Mrs Carter's priorities have always been the children and their personal journeys towards their individual achievements whilst being at Duloe.

We would like to wish her a happy and wonderful retirement.

The Governing Body
