May 2018  
Half Term 28th May - 5th June

Dear Parents,

Our learning theme this term is 'would we survive without bees and butterflies?', we are learning about the importance of these beautiful creatures for our environmental wellbeing. Each class is currently investigating & watching caterpillars grow and change into butterflies. There is great excitement measuring, recording and examining these fascinating creatures.

As usual we are preparing for an exceptionally busy term with numerous trips, visitors and events. Please check the board each week and our school website for photos and regular updates.

We are fortunate to have the Bridge Trust Creative Team working with the whole school to prepare for an outdoor performance of 'The Flight of the Bumble Bee' on **Wednesday 27th June at 2.00pm**.
