

WALBOTTLE CHALLENGE

I am sure you have all read in our newsletters or on social media that Year 5 have been creating their own exhibition at Newcastle's Discovery Museum. Their war exhibition is located in the 'Charge!' gallery from February until May 2019.

To support our school, we would love for you to go along and have your picture taken. It's free entry into the museum for children and adults! We would love it if you could upload your photo via our school Facebook page by direct message or via email admin@walbottlevillage.newcastle.sch.uk.

Can you tell us which was your favourite part and why?
