Dear Families and Board Members,

The newsletter this week is brought to you by the School Council.
We are very excited to be selected as school council and are looking forward to working on a range of projects this year.

MacMillan Coffee Afternoon

In September we helped with the organization of the MacMillan coffee afternoon. We delivered invitations to local residents and we helped to sell the cakes too. We raised a fantastic £154.36. Thank you for your support.

Harvest

We delivered the harvest donations to the local residents who were very grateful. We also gave donations to the West Northumberland Food Bank, who wrote to us: "I can assure you that this gift of food will help us to make a real difference to the many people and families across West Northumberland who come to the Food Bank."

Christmas Fayre

We are busy making plans for our stalls at the Christmas Fayre. As in previous years, there will be lots of games and prizes to win. We hope to see you there!

Charity Work

We have decided to support the charity 'The People's Kitchen' this year and are looking to plan fundraising activities later in the year. We will keep you updated as we make progress on this project.

School Council Online

Miss Hughes helps us to keep our section of the website up-to-date. On this you will find photographs and information about our work. We hope you can take a look!

We hope you have enjoyed reading about our work and future plans.

Kindest Regards,
