Dear Families and Governors,

We've had a wonderfully busy week and have many exciting activities planned for the remainder of this half term. Remember to keep an eye on our school website where you can find lots of information and photographs celebrating the exciting things which take place within and beyond our school.

Walbottle takes CHARGE!

Some of our Y5 children went to The Discovery Museum this week to install the exhibition that they have been working on for the last few months. Our exhibition will be on display from February until May, located in the CHARGE! Gallery. Please do go and take a look at their hard work.

Safer Internet Day

As next Tuesday is Safer Internet Day, the children will be being reminded about the potential dangers of using the internet and how to stay safe online. As parents we can find useful information about keeping our children safe by following the link below. Please take a look so that we can work together to keep our children safe. Thank you.
