

### Physical Development

We will be jumping over moon craters and taking off and landing in our space dances.

We will all be completing our superhero training! By practising our lightning speed, brilliant balance, super strength and awesome agility on our obstacle courses and playing games to challenge our reaction times.

We will be using 'Buzz Lightyear' laser beams to practise forming our letters and develop our fine motor skills.

### Mathematics

We will continue to work on our counting and number recognition in order to foil the super villains plans and use our super powers to add and take away numbers and solve mathematical problems to save the world from the Baddies.

We will begin to know the difference between 2d and 3d shapes and recognise some shapes in our environment.

We will be measuring objects by weight, making predictions and comparing objects.

### Communication and Language

We will be hot seating an astronaut/ superhero and talking about their special powers and secret identities.

We will be using language to imagine and recreate roles in our space station/ superhero headquarters.

### P.S.E.D

We will be discussing the differences between goodies and baddies and thinking carefully about right, wrong and the consequences of our actions.

We will be discussing who and what is special to us and deciding what we would take to the moon.

# Spring Term 2 - EYFS

## Space/ Superheroes!

### Understanding the World

We will be finding out what it is like in space and learning about the planets, gravity and the solar system.

We will be investigating the properties of material, ice, water and magnets to try and save our fellow super heroes.

We will be asking questions to challenge our learning and solve the problems that the evil peas have created for us.

### Expressive Arts and Design

We will be mixing colours to paint planets.

We will be making space pictures linked to shape.

We will make our own 'Supertato' and look at Liechtenstien art linked to superhero words.

### Literacy

We will be continuing to learn and practise our phonics sounds and tricky words. Don't forget to practise with me at home.

We will write a list of things to take to the moon, as well as writing postcards from the moon.

This term we will be reading the story 'Supertato'. We will be writing letters to the evil pea as well as making wanted posters and writing superhero words.

We will be reading and writing secret messages.

We will be writing instructions about 'How to Catch a Star'.
