

Dear Parents,

September 2018

I am writing again to let you know about some of the sports clubs that take place out of school hours at Broadway East. We are very lucky that alongside the clubs run by school staff and parents, we also have a range of outside providers who come to our school to deliver sports clubs to the children. The providers deal with all aspects of the running of the clubs. We don't take any bookings through school and we unfortunately cannot pass on payments or any messages. Parents must always deal directly with the club providers and we thank you for your cooperation with this.

Below are the contact details and starting times for the clubs. You need to contact the providers if you are interested in your child participating in the activities. These clubs will start the **week beginning the 10<sup>th</sup> September** unless it states otherwise. There is normally a charge for these clubs of which the providers will inform you of when booking places. The exact starting and finishing times of the clubs will be confirmed by the providers and they usually deliver promotional leaflets containing further information which we will pass on to you. Most clubs will work with children from all year groups but for further clarification please use the contact information below.
