Park and Stride to Brunton First School

Did you know that Brunton First School have their very own Park and Stride site on the Great Park?

X School Crossing Patrol

■ Puffin/Pelican Crossings

Not only can you avoid the congestion at the school gate but you can take time out to catch up with other parents and get some exercise if you use the Park and Stride site on the Great Park.

The Park and Stride site is around a 10 minute walk from school and is in striding distance for your little ones.

There are several new footpaths and safer places to cross including puffin crossings.

Why not take the Park and Stride Challenge and help your child Walk Once a Week!
