

Staffing changes

We have some good news Mrs Cooley is expecting her second baby in September but she will not be returning to Brunton She is re-locating with her family back to Belfast. Mrs Cooley has been with us for 8 years. She has worked tirelessly over the years to help shape the school. We will all miss her but we wish her all the best for the future. Mrs Armstrong will be taking over as SENCO.

Summer in school

Year 4 enjoyed their Bikeability ensuring they know how to cycle safely. They are looking forward to their bike rides.

Our Year 3 tennis team did really well and are through to the area final. Well done.

Throughout this year, we have been taking part in many competitions between first schools in Gosforth. The children have thoroughly enjoyed being part of a team representing Brunton.

There has been some wonderful coverage on Twitter of all your fabulous visits around the region celebrating the Great North exhibition. I know all the year groups are doing fantastic work celebrating the North. Look out for the school being turned into an art gallery – you will have the chance to visit – details to follow.

Our year 4 children and the children from KS2 who perform in our choir and band, Gosforth Voices and Gosforth Band, are performing at The Big Gig along with many other choirs and bands from across the city. Our year 4 children will also be performing playing their recorders.

Transition Morning

All the children will be spending a morning with their new teachers on Thursday 5th July. (Year 4 will spend the whole day at their middle school). The children will go to their new class first thing on 5th July. At the end of the day from 3.15 to 4.00pm all teachers will be in their classes if you wish to meet your child's new class teacher.

Primary Science Quality Mark

We have been awarded the silver quality mark for our good investigative work across the school in science. Thank you to the staff for their hard work.

Attendance

Our attendance at present is 97.1%. We have a school target this year of 97.8% which will not be reached due to the many holiday requests. Please can you try to ensure that you take your holidays during school holidays rather than during term time

Bike it Breakfasts/Gregg's Cancer Run

Thank you for coming along, both mornings were well attended. We have already raised over £500 for the Gregg's Cancer Run. Thank you for your support, hope to see you on Sunday at Gosforth Park. A big thank you to the Friends of Brunton for funding this event.

Safe in the Sun

We are hoping the sun stays out. Please ensure your children are protected from the sun during this term. Remember we cannot apply sunscreen to the children. All children need suitable footwear for PE as we will be using our outside facilities as much as possible. Please remember your children need a water bottle especially in the warmer weather.

Friends of Brunton Summer Fayre - Saturday 7th July

Don't forget to come along and support the Summer Fayre. If you can give any time to help on a stall then please sign up on the rota- on the doors in Reception.

Safety in the Car park and playground

Thank you for adhering to the new signs. They have improved the parking for our parents/carers with a Blue Badge.

Bikes/scooters/ skateboards are not to be ridden in the playground or across the car park. This is to keep everyone safe so no one gets hurt.

These dates are as accurate as they can be. I will update the dates in every newsletter.
