

If you have
the power to
make someone
happy, do it.
The world
needs more
of that.

you dont have the power
to make life fair
but you do have
the power to make it
JOYFUL.

Help Put a Smile on Someone's Face

Due to the global pandemic around the Coronavirus most social gatherings for the elderly will have to be cancelled and communal areas closed. This could leave our elderly people feeling very alone, since they often rely on this interaction throughout the day.

To help combat this Brunton First, working in partnership with the Human Support Group, would like to ask for your help.

Could you please write a letter or draw a picture to an elderly pen pal; it would be wonderful to think we could put a smile on someone's face in these worrying times.

If you can send any letters and pictures to either address show below, these will be distributed to elderly people.

Please write to:

There may be many worrying days or weeks ahead but we are sure, with the support of others, we will continue to do what is needed for the vulnerable living in our communities.

Many thanks for your continued support,
Team Brunton.

No act of kindness,
no matter how small,
is ever wasted.
