

Victoria Hanlon

Chair of Governors

My name is Victoria Hanlon. I have been a governor with Brunton First School for just over a year. I recently took the role as Chair, whilst also being a member of Staffing, Finance and Premises committee and Safeguarding Officer.

I have been working in the education sector since 2002, mainly further education based, spending 9 years at Newcastle College Group Finance.

I am now Head of Financial Services at NCFE, an Awarding Organisation, still contributing and committed to the development and progression of the learner. I have many transferable skills to offer Brunton First School, especially around finance, budgets and funding. I hope I can offer support, whilst acting as a critical friend to Mrs McKay and the team.

I feel Brunton First School is an excellent school, always putting the needs of the child first- supporting and nurturing them to achieve their potential with real enjoyment and enthusiasm. Being a governor is such a rewarding experience and I would recommend it to anyone.
