

Fun Planning

Monday

In the United Kingdom, where we live, we have 4 different types of weather each year. These are called the seasons - spring, summer, autumn and winter.

Watch this clip, from the BBC, to learn more about the seasons.

<https://www.bbc.co.uk/bitesize/topics/zkvv4wx/articles/zcx3gk7>

In which season do you think our story this week takes place?

Tuesday

Yesterday, we learnt about the 4 seasons that we have in the United Kingdom. Can you remember the name of each season?

My favourite animal from the story, One Snowy Night, is the hedgehog? Watch this clip to find out how the changing seasons affect hedgehogs in the United Kingdom.

Wednesday

Some animals, like the hedgehog, go into a big, deep sleep during the winter (when it is cold) and only wake up when the weather gets warmer.

Can you remember the story that we watched before Christmas?

<https://www.literacyshed.com/bearandhare.html#>

That was about another animal that normally sleeps during the winter? Which animal was it?

Do you think that story, like our story this week, was all about friendship and being kind to each other?

Thursday

Today, shall we do an art and craft activity? How about making some triangle pictures with the help of a grown-up?

Here are some ideas - a bat, a cat, a shark and, of course, a hedgehog!

To find out how to make these pictures using just triangle shapes, watch here

<https://www.youtube.com/watch?v=ES5pvZ6CZZ0>

Friday

Well, did you work out which was my favourite animal from the story?

Can you remember the clues I gave you?

It has lots of spines or spikes on its back. It can roll itself into a ball. It is one of the animals on the cover of the book.

Did you get it right? Yes, it was the hedgehog!

Here is a 'spot the hedgehog' game. There are 1, 2 or even 3 hedgehogs hidden in every picture and you have to find them! You will definitely need the help of an adult and will have to look very carefully but it is really great when you find them!
