Reflection Corner

We have sent the children home with a copy of our school ethos and values (what our school is all about!)

Please take time to read this with your child/children—discuss what the values mean and how we can live them out in our daily lives.

Thank you!

Wellbeing

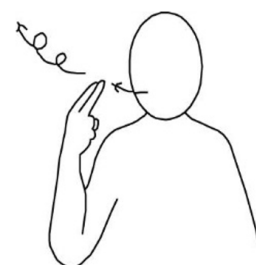

Grown-ups! It's time to get Sugar Smart!

EYFS

We would like to welcome Miss Lewis to Reception who will be working with Miss Watson.

In Nursery, we currently have two student teachers from Sunderland University working with us.

Preschool have enjoyed learning the nursery rhyme 'Humpty Dumpty' this week and have had lots fun sticking Humpty Dumpty back together again!

Reception PE day is Friday-please ensure your child has their PE Kit.

KS1

This week KS1 children have visited the School Library and chosen a book to take home. The children sat in the library and enjoyed a lovely story read to them by their teacher. Children will bring home a library book each week and we hope this helps develop a love of reading.

Library Day Reminder

1VT—Monday

1DD—Wednesday

2AH and 2LK—Tuesday

Please make sure your child returns their book on their library day to allow other children to enjoy.

Updating Parent/Carer Contact Information

Please remember to inform us if you have recently changed telephone/mobile number or moved address. Please come to the school office and complete an update form. Also, if your child has had any *diagnosed medical problems or dietary issues*, please provide evidence of this.

Parking

Please can we remind parent and carers to park in a safe spot when dropping off and collecting your children. We have allocated parking spaces in the Aldi car park to ensure everyone can park appropriately. Accidents can easily happen, and the dark nights mean our children are at a bigger risk. Thank you for your co-operation.

Calling all parent and carers

We would love to start our coffee mornings again but we are looking for some feedback from our parents before we decide on location and timings. Our coffee mornings haven't always been the success we would like so we want you tell us what you would like so we can get it right. Our first thought is to try a different location (possibly The Thomas Gaughan). Please let Lisa Hide our Parent Support Advisor know—you can pop into school or call/text her on 07791732154

100% Attendance prize draw

Every term our 100% attenders will be put into a prize draw and given the chance to win a gift voucher to spend, this means every child has the chance to win when a new term starts. Our first winner for the Autumn Term is Precious Mashoko from 3NJ. Your outstanding attendance has been recognised by everyone. We hope you enjoy spending your voucher. Well Done!!

LKS2

Year 3 have enjoyed break dancing this week.

Year 4 have been learning how to use spreadsheets in computing and listening to different types of music.

LKS2 have also been tree planting and learning how to be playtime buddies.

Remember, on Monday Year 3 are going to the Baltic.

UKS2

The children in UKS2 have enjoyed starting their new topics this week.

Year 5's topic is 'Time Traveller' and will be doing lots of art and design work.

Year 6's topic is 'Gallery Rebels' during which they will be learning about lots of famous artists and artistic styles.

Next week Year 6 will be visiting Nissan and learning how to work collaboratively and co-operatively when carrying out a project.
