## **Introduction**

This policy applies to all employees and also, as appropriate, to volunteer's agency staff and governors who will all receive a tailored induction programme which will include appropriate information, training, observation, and mentoring as appropriate.

Safeguarding Children and Child Protection will feature prominently in every induction programme.

The first weeks and months are vital to the success of any appointment. The arrangements made for introducing a new employee, volunteer or governor to the duties of the post, and to the school as a whole, provide the foundation for successful and safe contribution to the school.

The Induction Programme is designed to help new employees, volunteers and governors become familiar with the requirements of their position and learn about the school culture, ethos, priorities aims and working practices effectively and efficiently so that they become knowledgeable and confident as quickly as possible.

The Induction Programme should be cross-referenced to the NQT Induction requirements and probationary periods for support staff, as appropriate.

Induction is an organic on-going and evolving process that realistically takes weeks and months. The ethos of the school is that learning is a shared responsibility and there is an expectation that new members joining the school team will be proactive in asking for information and help – however big or small.

### **The induction process should:**

- Provide information and training on the school's policies and procedures
- Provide Child Protection information – including outlining responsibilities
- Enable the colleague to contribute to improving and developing the overall effectiveness of the school, raising pupil achievement, and meeting the needs of pupils, parents and the wider community
- Contribute to the colleague's sense of job satisfaction and personal achievement
- Explain the school's Safer Code of Conduct to ensure that all staff, volunteers and governors new to the school understand what is expected of them at the school and gain support to achieve those expectation
- Identify and address any specific training needs

### **The induction programme may include:**

- A meeting with a member of SLT and the Pastoral Lead
- Signposting to the list of essential policies on the website – signing that these have been read
- Receiving copies of essential documents relating to role
- Explanation of help and support available
- Details of work shadowing and assigning of a Buddy if appropriate
- Details of other relevant individuals with responsibility for induction e.g. the IT technician to offer logins etc, the designated mentor or supervisor
