

My Lighthouse

Our children absolutely **love** singing the song, '**My Lighthouse**' by the Christian folk rock band, 'Rend Collective'.

This has become our **anthem** and our school has become the Lighthouse who **willingly supports** all who may struggle in the stormy seas, sharing the **good news** of **Jesus**, as a light, **guiding all to safety**.

Our **aspiration** is that all children will be **supported, encouraged and nurtured** so that they may all **shine** in their own, **individual ways**.
