6FC	Oliver Rye	- supporting his friends in a class presentation - doing a fantastic job when talking about his learning to special visitors
6SE	Maddison & Marnie	Being very welcoming towards Sabrina in her first week at school and looking after her well

Reflection Corner

We have a circle of friendship around each one of us, people who care for us, people to whom we can go when we are in trouble. Think about the adults and children in your life. Whose names could you write on your circle of friendship?

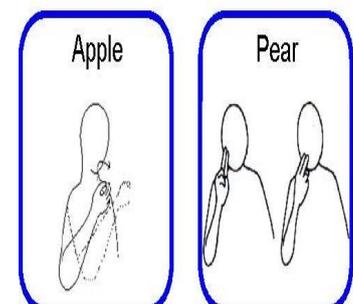

Wellbeing

This week we have been doing work on International Children's Day. Children have been learning about Child's rights. For more information on children's rights have a look at the UNICEF website.

www.unicef.org.uk/what-we-do/un-convention-child-rights/

Makaton

EYFS

This week all of the children in Early Years have continued learning about Autumn and the things we see and have also been learning about animals that hibernate. Lots of fun has been had with many activities linked to this so please ask your children about autumn, hibernating animals and hedgehogs!

KS1

Year 1 had a fantastic time at the Discovery Museum. They learned all about the Great Fire of Newcastle and Gateshead. They also had lots of fun at Play Tyne.

Christmas Fayre—Wednesday 27th November 2019

Our Christmas Fayre is fast approaching and we are sending out an open invite to all our children, parents and families. We would love to see you all to kick start the festive season and help our school to raise money. We have some fabulous stalls with Christmas craft items on offer, all made lovingly by your children and our staff. We also have some fantastic prizes on offer in our raffle (Signed NUFC Shirt, Panto tickets, food hampers and lots more). We will have hot chocolate and homemade cookies available to keep you warm and Santa Claus will be making an appearance. The fayre will be open at the end of the school day, we look forward to seeing you all.

Parking Reminder!!!

We would like to remind our Parents/Carers to park their Cars' responsibly when bringing children to and from school. We have again been contacted by local residents regarding near misses of children by people parking on the roads around the school, along with complaints from residents who are unable to get in or out of their properties due to cars parking outside their driveways. Aldi have confirmed that Parents/Carers are welcome to park in their carpark, rather than obstructing the streets around the school which is causing safety hazards for our children. Please use Aldi carpark and help keep our children safe!

Illness & Absence

We have had a lot of children absent from school over the past week. We would like to refer you to the letter that was sent home with children earlier this week. If your child has flu symptoms they should not attend school until they have recovered. If your child is vomiting or has diarrhoea they should stay off school for 48hrs from their last episode of vomiting or diarrhoea. Parents/Carers should call the school each day of their child's absence to inform us why they are absent or give an update.

LKS2

This week Year 4 have been to the Laing Art Gallery where they took part in a link project and met children from St. Cathrine's Primary School. They had great fun taking part in different activities such as, art, circle time and creating an identity map.

UKS2

This Wednesday was International Children's Day and the children in UKS2 have been looking at our 'rights of the child' statement. We have found out what life is like for children around the world— and how lucky we are!

Next week we will be taking part in an Anne Frank workshop on Monday and Tuesday. Anne Frank was a Jewish child in the 2nd world and she wrote an amazing diary about her experience as she hid from the German army. Try and research this over the weekend if you have time!!
