## DEBUT STARS SHINE BRIGHT FOR THE CHURCH

### ESFA UNDER 11s SCHOOLS CUP

TYLER COOPER AND FAREED ACQUA ENLISTED THEMSELVES INTO THE CHRIST CHURCH HALL OF FAME TODAY WITH DEBUTS THAT WILL BE TALKED ABOUT FOR YEARS TO COME.

Taking part in the ESFA Under 11s Schools Cup along with other schools throughout Newcastle and Northumberland, Christ Church were looking to prove themselves. They did just that, finishing 3<sup>rd</sup> and displaying some fine performances against some of the best teams in the area. All players were exceptional but special recognition has to go to Cooper and Acqua, who have burst onto the scene like chicken pox in Early Years.

Manager Harland was said to be particularly pleased with the effort of the whole squad who have reportedly been working overtime on their fitness in their own time.

The highlight of the night for The Church was an 8-0 destruction of Ivy Road B, with Fareed netting 4, Pasha 2, Tyler, Jamshid and Khaled adding to the tally too.

### APPLAUDS FOR DEFENCE

AND WHILE COOPER AND ACQUA RIGHTLY TAKE THE HEADLINES it would only be right that they share some of the accolades with defensive duo Jamshid and Brooke, who have formed a partnership that is sending shivers down the spine of forwards around the North-East.

Christ Church scored an impressive 13 goals in only 5 games (Fareed 7, Tyler 3, Pasha 2, Khaled 1, Jamshid 1) but what is equally impressive is that they only conceded 3.

Some great stats as they head into the New Year. They will be wanting to make sure they build on this recent run of form.

### MR BROWN FULL OF PRAISE

“It was obvious that after a big push for fitness, this was a reformed Christ Church FC, ready and raring to score big in the rest of the season.” an impressed Mr Brown added when speaking to Sky Sports News.
