Dear Parents and Carers

10/02/2021

Thank you, Thank you. Thank you.

I would like to thank all parents, carers and family members who are teaching and supporting our pupils with home learning. It is a demanding job for which many of you will not have had any training except attending school yourself. I know that almost all pupils are attending *live* lessons, completing paper based tasks and submitting work for teachers to see. You are doing a tremendous job. Well done.

COVID UPDATE

Fortunately, COVID cases in school remain very low. We presently have no positive cases and no self-isolations. However, I need your support going into the half-term holiday. **Please text school 07786207779 if your child develops COVID symptoms, or has a positive test result on Saturday, Sunday or Monday. This is very important. Close contacts will be identified and informed by school.**

Food Bags

We are able to provide food parcels to families in school who meet certain criteria requested by our providers. Please collect on Thursday and Friday during school time.

If you could benefit from some additional food provisions and have not received a text offering your family a food parcel, please telephone the office (0191 2328054) and we should be able to provide one.

Free School Meals

The government has confirmed that children entitled to free school meals will be provided with vouchers over the half-term, £15 per child.

Home Learning

We are providing all children in years 3, 4, 5, and 6 with a well-being booklet to use over the school holidays if they wish to. There will be no *live* TEAMS lessons during the half-term holiday.

Programmes of work will be placed on the school website on Monday 22nd February. Remember, programmes of work include links to quality lessons on line.

School is closed to ALL children Monday 15th February to Friday 19th February.

Enjoy the half -term
