TEAMWORK WINS FOR CHRIST CHURCH

ST MARY'S 0 CHRIST CHURCH 4

CHRIST CHURCH WERE AT THEIR BEST LAST NIGHT WHEN THEY FACED HIGH FLYING ST MARY'S IN CULLERCOATS.

The Church took the lead early on through Noel and didn't have to wait much longer to double their lead when Fareed struck with a low shot after much pressure from the away side.

With Noel bossing the entire match and the home team struggling to cope with Moh whizzing around the pitch, it was only a matter of time before Christ Church added more goals. Will smashed the third home in the second half before Moh added a 4th late in the tie. With quite a hectic fixture list coming up, manager Harland will be happy with the performance from his team.

Christ Church have grown from individuals into a team and all the hard work put in throughout the season seems to be paying off. Not bad for a team that couldn't run for longer than three minutes at the start of the season...

THE FIRST NOEL

AFTER RISING THROUGH THE RANKS THIS SEASON, IT WAS NOEL that stole the show against St Mary's.

Dominating all areas of the pitch, Noel won every battle and even got on the score sheet. It was no surprise he was awarded for his hard work with the Man of the Match award.

CALLUM THE CONCUEROR

MAKING HIS FIRST APPEARANCE AS CAPTAIN WAS CALLUM, who did not disappoint and was full of praise for his team after the match, "Noel was fantastic but so was everybody," added the skipper.
