

18th January, 2019

Dear Parents and Governors

After-school clubs

After-school clubs are very popular and very full. Unfortunately, we are unable to give every child all the clubs they requested because of the number of children in school. However, we are keeping waiting lists.

Please ensure your child attends their club regularly otherwise their place will be given to someone on the waiting list.

Fortunately, circus club is now taking place in the church hall on a Thursday. Children on waiting lists have been given priority first.

Enjoy the weekend.
