Term	Autumn Term		Spring Term		Summer Term	
Yr Group	1	2	1	2	1	2
1						
Resources						
2	Out and About Children study significant historical events, people and places in their own locality. Look at recent changes to the school.		Time Traveller Children learn about significant events beyond living memory and the lives of significant individuals in the past.		(Science focus this term but may be some linked to current affairs)	
Resources						
3	Castles (Victorians) In History, we will study the importance of the castle in the development of Great Britain. We will research why castles were needed, what life was like in them and how they were defended and attacked. We will look at how castles developed through history and where this sits in the chronology of the history of Britain. We will visit a local castle and explore its history.		World War Two In history we will study key features of the War, identify when the War took place. Consider the impact of the War on the British people. Life for the children in War torn Britain. Areas covered will include: What was an evacuee? The Blitz, rationing, blackouts, the Home Guard and the Women's Land Army.		Oceans(Contrasting localities) Famous explorers, seafarers, Lord Nelson, Captain Cook, etc.	
Resources
