

Grange First Family Weekly News

Spring Term Week 7

A Message from Mrs Clougher

HOORAY! We are open to **ALL** our children from Monday 8th March! We were all so pleased to hear this news earlier in the week. I can't wait to meet you all properly and to see Grange full of children learning again. We are busy getting everything organised so that the classrooms are ready for your children to return. I will send an email to you on Monday with details about school dinners, PE days and start and end times of the school day. We will be offering all our children from nursery to Year 4 a school dinner. Mrs Kidd-Scannell has worked hard to create a timetable so that everyone can do this safely.

We know that most of our children will be excited to return and will come skipping into school. However, there may be some children who are feeling a little anxious. Please be assured that the teachers and support staff at Grange will do everything we can to settle your child back into school. I am confident that all children will quickly settle into the daily routine of school life. The staff are all looking forward to having full classes again.

Bikes, scooters and cars

There are roadworks on Norham Road and in the back lane near school. Please don't attempt to drive up Norham Road to drop off or pick up your children as there is no parking. A few cars caused dangerous situations this week as they tried to turn round when children were walking off the school site.

Please remind your children to dismount from their bikes and scooters when they reach the main school gates and to push them down the drive way. This will avoid any accidents as we welcome children back to school.

Easter Holiday: Please contact Chill Out as soon as possible if you would like to book your child in over the Easter holiday period. **School closes at 3.15pm on Thursday 1st April and reopens on Tuesday 20th April.**

BOOK WEEK

We are all looking forward to Book Week which starts on Monday 1st March. Mrs Stubbs has sent you an email with details of all the exciting activities we have planned. Get your pyjamas and teddy bears ready to snuggle up for a bedtime story on Thursday and remember to try and work out who the masked storytellers are!

Where is Jack?

An enormous beanstalk appeared in nursery this week. The children have received some notes and a present at the bottom of the beanstalk from Jack. Unfortunately, Jack seems to be stuck in the giant's castle.

Home Learning

Thank you to all the parents who have sent such positive emails about home learning this week. I know some of you were worried about the quality of home learning and feedback suffering when we opened more bubbles a couple of weeks ago. It's good to know this hasn't happened. Only 5 more days of home learning to go for you all. I honestly think you deserve a medal for all your hard work supporting your children with their learning.

Remember to do your screen free Forest School time whenever suits you. It doesn't have to be on a Friday afternoon.
