Reading

We recommend that you should read with your child on a nightly basis. Little and often will get them into a regular routine and they will look forward to this quality time with a grown up or older sibling. Any book read at home can earn a stamp in your child's reading record!

Please hand in all reading books on a **Wednesday**. New reading books will be sent home on a **Friday**.

You can also use **Oxford Reading Buddy** online. Information and log in details can be found on your child's reading record.
