10 June 2014

Dear Mrs Hall

I wanted to personally write to thank you and the staff and pupils at Lemington Riverside Primary School for your amazing efforts on Bobble Day raising an incredible £123.31!

These funds will help us to keep older people warm and well during winter this year through our various free services including Information and Advice and Befriending.

Donations such as these are very important to us and enable us to continue supporting older people to make the most out of later life.

Yours sincerely

Sonia Graham
Campaigns and Fundraising Coordinator
