

# School Welfare Officer

Family support for you and your children.

If only children came with an instruction manual! Unfortunately, they don't. At times, we all face difficult moments and it is ok to ask for help!

A problem shared is a problem halved!

Our School Welfare Officer can help with:

School attendance /punctuality      Children's behaviour      Family difficulties  
Early Help Plans      Friendships / Bullying      Morning and bedtime routines  
Transition to secondary school and school transfers      Safeguarding advice  
Family learning opportunities      Adult learning      Access to foodbanks  
Helping you or your child to access mental health support      Holiday activities  
Inclusion      Housing support letters (only if already working with you)

Signposting or making referrals to other agencies where appropriate:

e.g. School Nurse, On The Go (keeping kids fit), Children & Young People Service, Domestic Violence support, Parenting Programmes, Housing, Early Help Team, Family Support (outside of school), debt advice.

Any other difficulty that impacts on your child's development, educational progress, safety or wellbeing.
