As a school community, we at St Cuthbert's R.C. Primary School aim to provide a secure and safe environment and to respect the dignity of every person involved with our school.

Bullying is wrong. It harms individual people and the whole school. We will do all we can to prevent bullying by developing a school culture where it is seen as unacceptable.

### **AIMS**

To ensure that everyone in our school understands that: -

- Pupils and staff have a right to a safe environment where they can learn and work without the fear of being bullied.
- It is everyone's responsibility to support each other by reporting bullying incidents.
- Clearly defined actions will follow when bullying is reported.
- All reports of bullying are taken seriously.

### **How can we prevent Bullying?**

St Cuthbert's R.C. Primary School will foster a clear understanding that bullying, in any form, is not acceptable. We will do this by:

- Developing an effective anti-bullying policy and practice. The school will then become a safer and happier environment, with consequent improvements in attitudes, behaviour, and relationships and with a positive impact on learning and achievement.
- Regular praise of positive and supportive behaviour by all staff.
- Work in school which develops empathy and emotional intelligence (SEAL).
- Any incidents treated seriously and dealt with immediately.

### **What is bullying?**

Bullying is behaviour which deliberately makes another person feel uncomfortable, distressed or threatened.

Bullying is repeated over time.

Bullying makes those being bullied feel powerless to defend themselves.

### **What types of bullying are there?**

- Emotional (being unfriendly, excluding, tormenting, threatening behaviour)
- Verbal (name calling, sarcasm, spreading rumours, teasing)
- Physical (pushing, kicking, hitting, punching or any use of violence)
- Extortion (demanding money/goods with threats)
- Cyber (all areas of internet, email and internet chatroom misuse. Mobile threats by text messaging and calls. Misuse of associated technology i.e. camera and video facilities including those on mobile phones.)
- Racist (racial taunts, graffiti, gestures)
- Sexual (unwanted physical contact, sexually abusive comments)
- Homophobic (because of, or focussing on the issue of sexuality)

### **What are the signs and symptoms of bullying?**

A person may indicate by signs or behaviours that they are being bullied. Everyone should be aware of these possible signs and should investigate if the person;

- Is frightened of walking to or from school or changes route
- Doesn't want to go on the school / public bus
- Begs to be driven to school
- Changes their usual routine
- Is unwilling to go to school (school phobic)
- Begins to truant
- Becomes withdrawn, anxious or lacking in confidence
- Becomes aggressive, abusive, disruptive or unreasonable
- Starts stammering
- Threatens or attempts suicide
- Threatens or attempts self-harm
- Threatens or attempts to run away
- Cries themselves to sleep at night or has nightmares
- Feels ill in the morning
- Performance in school work begins to drop
- Comes home with clothes torn, property damaged or 'missing'
- Asks for money or starts stealing money
- Has dinner or other monies continually 'lost'
- Has unexplained cuts or bruises
- Comes home 'starving' on a regular basis
- Bullying others
- Changes in eating habits
- Is frightened to say what is wrong
- Afraid to use the internet or mobile phone
- Nervous or jumpy when a cyber message is received
- Gives improbable excuses for their behaviour.

### **Why is it important to respond to bullying?**

## **Bullying Hurts!**

Everybody has the right to be treated with respect.  
Everybody has the right to feel happy and safe.  
No-one deserves to be a victim of bullying.  
Bullies need to learn different ways of behaving.

## **Our school will respond promptly and effectively to reported incidents of bullying**

### **Prevention strategies adopted by the school**

The school community includes all pupils, teaching and non-teaching staff, parents and governors. They will be informed of and involved in the Anti-Bullying Policy.

This will be done through: -

- Anti-bullying awareness events to be held annually
- Assemblies
- Newsletters
- Posters
- Personal health, social and citizenship education
- Staff meetings
- Training for all staff
- The Buddy system i.e. – Mini buddies from Year 2 to help Key Stage 1  
Buddies from Year 6 to help Key Stage 2
- Worry boxes
- Positive reinforcement – rewards system for good behaviour.

### **Our Approach to Bullying**

We believe that if children are encouraged to be good citizens in an environment where they feel stimulated and excited by their learning, it will minimize the occurrence of bullying. We feel it is important to create an atmosphere where our children know that they will be listened to and where their problems and worries are taken seriously and responded to with sensitivity.

Bullying is always unacceptable and always serious. We are committed to creating a safe environment where children can learn and play, can talk about their worries, confident that an adult will listen and will offer help.

Through a variety of planned activities across the curriculum such as circle time, role-play, class performances and celebration assemblies, our children gain in self-confidence and develop strategies to speak up for themselves and express their own thoughts and opinions. Encouraging children to take responsibility by becoming a member of the school council, Mini Vinnies or Smile Squad promotes children's self-confidence. In having this approach, we believe this helps to reduce a code of secrecy where children feel too scared to speak up and tell of any bullying experiences.

Our Personal, Social and Health Education (PSHE) curriculum will ensure that each Year Group addresses issues related to bullying. This may take the form of an explicit approach or maybe implicit, in terms of looking at friendships and valuing each other, appreciating differences, to develop individual self-confidence. In addition to this, the issue of bullying in its many forms is the focus of circle time discussions.

Incidences of bullying brought to the attention of the class teacher are investigated as soon as possible. In the first instance, information is gathered from the pupil and staff concerned in the form of a 'keep an eye on form'. Any observations are recorded by the teacher on this form and the Headteacher is kept informed. All staff are made aware of the form and the need to report any incident involving the child to the class teacher. The class teacher will make an appointment with the parent/guardian of the child four weeks later to report his/her findings.

We have two aims when reacting to incidents of bullying:

1. to make the child who has been bullied feel safe
2. to encourage better behaviour from the child who has displayed bullying behaviours, colluders and bystanders.

In order to achieve this, we use a range of strategies appropriate to the nature, severity and history of the bullying.

If the bullying is a recently established behaviour by an individual or a group which involves regular name-calling, intimidation or social exclusion (but not gross physical violence) a problem solving approach is adopted (Appendix i). The underlying intention is to change the dynamics of the situation, to raise the awareness of the participants about bullying, and to support the peer group in taking responsibility for bullying. It is a seven-step approach.

If the bullying involves an individual or group, who have been involved in bullying on a previous occasion and the school has previously implemented the above problem solving approach, then the following procedure will be followed:

1. the Head Teacher is informed
2. the pupil who has been bullied is interviewed and their comments recorded
3. the pupil or pupils who have displayed bullying behaviours is/are interviewed and comments recorded
4. the parents of the individual who has shown bullying behaviour are contacted and invited to a meeting; a meeting between the Head Teacher, pupil and parents is held; the incidents are outlined and the sanctions are detailed.
5. Individual Behaviour Plans to set targets to improve and monitor behaviour are set up which may involve calling upon the expertise of outside agencies.
6. In persistent circumstances sanctions may include:
  - a. permanent exclusion
  - b. temporary exclusion
  - c. exclusion from the school premise at lunchtime
  - d. exclusion from the playground at lunchtime
  - e. move out of current class

- f. arrangements for parent to supervise pupil to and from school daily
- 7. The parents/carers of the pupil who has been bullied are kept informed throughout the whole process.

**The Role of the Governing Body**

The governing body monitors the incidents of bullying that occur and reviews the effectiveness of the school policy regularly. This will be done through a monitoring log and through the sample questionnaire (Appendix ii) which is conducted annually with Year 6. The governors require the Head Teacher to keep accurate records of all incidents of bullying and to report to the governors on request about the effectiveness of school anti-bullying strategies.

The governing body responds within ten days to any request from a parent to investigate incidents of bullying. In all cases, the governing body notifies the Head Teacher and asks her/ him to conduct an investigation into the case and to report back to a representative of the governing body.

**Monitoring the Policy**

This policy is monitored on a day-to-day basis by the Head Teacher, who reports to governors about the effectiveness of the policy on request. To discover the extent to which bullying exists in school and to monitor the extent to which our anti-bullying policy is effective the log and strategies will be reviewed alongside the Year 6 questionnaire. The anti-bullying policy is the governors' responsibility and they review its effectiveness annually. They do this by examining the log held on CPOMs and by discussion with the Head Teacher. Governors analyse information with regard to gender, age and ethnicity, perceived sexual orientation and any other characteristic/ background of all children involved in bullying incidents.

This policy was approved by the Governing Body on

### Problem Solving Approach

#### **Step 1: The child who has been bullied is interviewed**

Once it has been established that a child has been bullied, the child is interviewed. The main focus of the interview is to understand the effect the bullying has had upon the child. He or she is asked if they want to pursue the issue. If appropriate the child may be asked to draw a picture or write a poem to describe the effect the bullying has had on them. The child is then asked who he or she would like to attend a meeting who might help to make their lives much safer at school.

#### **Step 2: A meeting is convened with people involved**

A small group of pupils is asked to meet with the teacher or the person who is handling the incident. This will include those who have displayed the bullying behaviour, others who have witnessed it but have not taken part, and other members of the peer group who may not have been involved at all but who could make a positive contribution.

#### **Step 3: The problem is explained to the group**

The bullying is explained to the children and is emphasized that the bullying makes the person being bullied feel really bad. The others are read the child's poem or shown the picture; either is used as the basis for discussion. Solutions are sought.

#### **Step 4: The responsibility is taken**

The act of bullying has to be acknowledged so the group can move onto the next stage.

#### **Step 5: The group is asked for its ideas**

The group is asked what they feel should be done. After brainstorming, individuals suggest solutions - how they feel they can help and what they will do. Good, positive suggestions for making things better are sought. At this stage sanctions may be applied in line with the school behaviour management policy.

#### **Step 6: It is left up to the group**

The responsibility for carrying out their suggestions is left up to the group. They go away feeling they will do something positive that is supported by the teacher who has conducted the session and in conjunction with the effects of the peers.

#### **Step 7: A review meeting with the child who was bullied**

A week or so later the teacher meets up with the child to find out what improvements have been made.

#### **Step 8: The group meets again**

The group meets again to discuss what they have done and what effect they have had and have some feedback from the meeting the teacher has had.
