

Values and ethos

Our Vision for St Cuthbert's is to provide a learning environment that is based upon the Gospel Values of love, respect, forgiveness and self-worth. By walking in the footsteps of Jesus, every child irrespective of beliefs, race or culture will be treated as the unique person they are and through respect and nurturing will gain a love of learning in order to reach his or her full potential.

St Cuthbert's staff encourage our pupils to excel in all areas of the curriculum; our aim is to provide a challenging and enriching curriculum which will equip our pupils to achieve high academic standards and develop their confidence to move to the next stage in their learning.

Outstanding behaviour and self-discipline must underpin our work, supported by our parents, parish and the wider community.

We aim to ensure a welcoming friendly approach where families and visitors feel comfortable and are positively encouraged to participate in the life of the school.
