Safeguarding

Staff and governors take safeguarding very seriously in our school, and I'm sure parents do at home as well. The school safeguarding policy is available on our school website. If you have any questions regarding safeguarding, please don't hesitate to contact the school office.

Can I remind parents that they need to sign their children in at the office when they are late for school.

Smarties tubes

Thank you to the families who have returned their Smarties tubes already. The children can return their Smarties tubes anytime throughout lent. The money raised will go to provide blankets for some new born babies in Kenya.

Mass

We will be celebrating a whole school mass at 9.15am on Wednesday morning. All parents are welcome to join us. We have a few members of our school and Parish family who are not well at this time. Please keep them in your prayers.

Easter egg competition and chocolate tombola

We will be having an Easter egg competition on Friday 12th April. Eggs are to be brought into the hall Friday morning from 8.40am.

We will also be having a chocolate tombola on Friday 12th April which will be £1 a ticket. Every ticket is a winner.

Stations of the Cross

Year 2 children will be leading us all through the Stations of the Cross on Thursday at 2.30pm. I hope to see all Year 2 parents there and other parents are welcome to join us.

Holidays

Just a reminder that school finishes on **Friday 12th April** and we return to school on **Wednesday 24th April**.

50 things to do

We hope to have a letter out next week on how we are looking to start our 50 things to do before leaving St Alban's next term.

Mother Day Coffee morning and Singing.

Thank you for the great turn out for the Mother's Day coffee morning and thank you for the lovely positive feedback. We are now planning something for father's day, and hopefully grandparents as well.

Haircuts and uniform

Can I take this opportunity to thank all parents who are following our uniform policy, which includes sensible haircuts and natural colour. With summer term approaching, please ensure your child has sensible black, flat footwear. It is really important that the children all look smart when in school and taken out of school.

Text messages

Last week we sent a text message to all parents and a number of messages were undelivered. If you didn't get a text, can you please contact the office as soon as possible to update your details as these are the numbers we use in case of an emergency.

SATs dates

SATS week will commence Monday 13th May. We would like to thank parents for their continued support with the extended hours for Year 6.

Trips and visits

Well done to our year 5 children who have had two visits recently and were excellent ambassadors to our school. Well done to our Year 1 children who took part in the dance festival at the City Hall singing and dancing along to Grease Lightening.

Parents evening

Thank you to the parents who arranged and attended parents evening appointments this week. If you have not yet had a parent's evening appointment the class teacher may be in contact with an appointment.
