

Friday 12th March 2021

Dear Parents and Carers,

They're back and they're happy! I could just finish there, but I should probably provide some further details to illustrate the point...

It has been a long, eventful week but it is fantastic to see how well the children have settled back into school. It has felt like the first week of a new school year and I did wish the children happy new year in assembly on Monday as I haven't seen many of them since last December. It has been lovely to see everyone in person and not just on screen and I have been incredibly impressed with everyone's ability to be able to re-focus and return to good routines. We have noticed the children getting tired towards the end of the day but that learning stamina will return soon enough so we can make the most of every day.

The curriculum emphasis has been on wellbeing and reintegration this week with the children showing us where they are and how they are getting on. We will be doing some more diagnostic work in the next couple of weeks so we can create a detailed picture for each child of their strengths and areas for development which will become the focus of our work for the remainder of the school year.

Thank you to you all for supporting us this week with our safe school routines. The entry and exit arrangements have run smoothly and everyone has maintained a safe distance which keeps us all safe and provides a helpful reminder to the children to do the same. The positive case numbers have continued to decrease in Warwick and this is down to everyone's collective efforts to follow the guidelines which we are all grateful for.

Finally, a couple of notices. We have vacancy for a lunchtime supervisor so if you are interested in joining our team or would like to know more about this very rewarding position then please contact the school. We will also be re-starting the school newsletters, so please look out for this next Friday.

Have a lovely Mother's Day, enjoy the rugby and have a great weekend.

Yours sincerely,

Andy Mitchell (Head Teacher)
