

How can you support your child at home?

Year 4 curriculum Autumn Term

Maths

Times Tables

Children need to know their Times Tables fluently. All children have access to Times Tables Rock Stars. Every child in year 4 has a login for this in their planners. Please ensure that your child/ren are using this regularly. By the end of year 4 children are expected to know all their times tables! They also have a Multiplication Tables Check in June 2022 to check their progress.

My Maths

All children in year 4 have a login for My Maths in their planners. The children can access lessons online as well as the homework sheets that teachers assign for them. Have an explore to help consolidate the areas covered in school.

In the Autumn Term we will cover; place value, addition and subtraction, measurement length and perimeter, multiplication and division.

Where possible please support your child.

Reading

Reading Plus is a good way to develop the children's reading and comprehension skills. It also helps motivating them to become successful readers. We highly recommend you encourage your child to read regularly. Their login details are in their planners. In addition to this, the children take home a reading book on a daily basis. Please find time to hear them read as well as discussing the book with them. This will have a huge impact on their learning across the curriculum. Please record a comment in their planner as well.

Purple Mash

Purple Mash is a great resource for the children to be using at home. It has English, math's, science, computing, topic and art. Your child can look at things we have already learnt, or look at the topic and science section below to see what we are learning next half term.

In our computing sessions, will be focusing on branching databases and Excel spreadsheets.

Handwriting

In year 4, children should be writing in joined handwriting with the letters a consistent size. Please encourage your child to practice at home on a regular basis. They have a login in their planner for 'Letter-Join' to help them learn the correct joins.

Letter-join 

Topic and Science

During **Autumn 1**, the children will be learning about the Ancient Egyptians in topic lessons and they will be focusing on sound in science.

During **Autumn 2**, the children will look at the topic Burps, Bottoms and Bile which is linked to the human digestive system. In science lessons the children will learn about Teeth and the Digestive System.

Parts of a tooth
