Good Afternoon chetwind I'm Grace and I am standing up for the role of house captain because I believe that if you vote for me we will be the best house in birchwood history. So let me tell you all about myself I am positive, enthusiastic and ready to give up my spare time ^{to go} going to meetings or even helping out on both playgrounds. I love football, ballet, gymnastic and running. So I would be amazing for sports day. I am ready to lead our house to victory and to listen to whatever anybody has to say. I have many ideas such as pyjama day, wildlife day and more choices on the tuck trolley. We need to have a great house captain to have a great house. So luckily for you I would not only be a great house captain I would be the best house captain. If you want the best house captain there's only one option me!

I am ready to work hard and be the best house captain and the best house if you vote for me. Vote Grace for green and you won't regret it. Thank you for being a great audience and remember vote the best not the rest.
