How to use X Box to access Eschools

A Guide by Ethan

- Logon to your Xbox Live account

- Go to the bottom left hand corner where it says Games and Apps

- Scroll down to Apps

- Select Microsoft Edge

- Then search eschools Wood End

- Then put in your username and password

- Then you will find yourself on eschools

- Go onto 'chat' and 'have your say'

- There will then be a keypad on the screen and you can select the letters you want and join in the conversation!
