

What support is provided for parents?

The class teacher is available to discuss your child's progress, any concerns you may have or to share information about what is working well at home and at school, so similar strategies can be used.

The SENCo is available to meet with you to discuss any concerns/worries you may have.

All information from outside professionals will be discussed with you, either with the professional involved or within a written report, depending on which is most appropriate.

ITP's will be reviewed with your involvement each term. Homework will be adjusted, as needed, to your child's individual needs.

A home/school contact book may be used to support communication with you, when this has been agreed to be useful for you and your child.
