

Place Value Slider

H	T	U	$\frac{1}{10}$	$\frac{1}{100}$	$\frac{1}{1000}$

INSTRUCTIONS:

Photocopy twice, once on to thin coloured card and once on to thin white card.

Cut round the base unit of the slider (indicated by a dotted line) on the coloured card only.

Cut round the slider (indicated by a dashed line) on the white card only.

Laminate each section.

On the base unit carefully cut along the two dashed lines either side of the decimal place.

Assemble by passing the slider under the decimal place through the two cuts made in the base unit.
