

Dear Parent/carers,

As you know we will be recording your child's learning journey in Reception. We will be collating your child's achievements in their own 'Learning Journey' book, which you will be able to take home at the end of Reception. We would love your contributions to your child's learning journey as well, as so many experiences happen with you! If your child does something at home you would like us to know about over the summer, please record on one of the templates below and bring it in. The achievements will go directly into your child's learning journey.  
Thank you, Reception team
