Welcome to the Spring Term 2019

This term we are learning about weather. We are learning to wear our coats and hats to keep ourselves warm and dry when it is cold and wet.

Some of our pupils are learning to recognise the differences between rainy days, windy days, sunny days and days when the weather is warm and the sun is out and days when the weather is cold and the sky is full of clouds.

Last Term we

- We learned that Africa was a continent with 54 countries.
- How many continents are there and can you name them?

Reminders for Parents

We know that pupils and students learn better at school and ask for your support in organising your family holidays during the 14 weeks designated in the school year. WE have been set a target to reduce levels of pupil's absence, let's do this together!
