Thursday 4th April 2019

Staff News

Our new Family Liaison Advisor, Melissa Dale, will be starting after the Easter holidays. She will be out and about in the playgrounds on both sites before school, so please make her welcome. We know she is looking forward to working with your families.

INSET reminder

Both schools will be closed for staff training tomorrow Friday 5th April. Staff will be looking at the new Ofsted Inspection Framework and evaluating how well our curriculum meets the needs of our children.

National Assessments

Next month National Assessments will be taking place for Year 2 and Year 6. We aim to keep these as low key as possible. In the Infant School the assessments are spread out across the month of May. The children may mention working in a 'special booklet' but we aim to maintain a comfortable and familiar environment for them. In Year 6 there are strict regulations around the assessments. However the staff team work hard to make sure the children are as comfortable as possible. Their assessment week is the week beginning Monday 13th May. Good breakfasts and lots of encouragement and reassurance before school would be appreciated!

Performing Arts Festival

Thank you to everyone who supported this event at the Junior School. It was lovely to see so many children share their talents and to have such a variety of performances. The Year 5 children produced a brilliant performance after a one term course in playing brass instruments. It was also wonderful to hear the ukulele group performing with the instruments donated by The Arts Society West Gloucestershire.

Parking

Yesterday a child was hurt outside the Junior School in an incident involving a car parking across the pavement. We have also noticed an increase in dangerous parking outside the Infant School. Please park considerately and safely. The police have been made aware of parents concerns and are planning to monitor parking in the coming term.
