## Friday 2<sup>nd</sup> February 2018

are taking

### Reading Challenge

Some children have already made it across the board with the reading challenge. It has been great hearing about the different reading activities they taking part in. Mrs Pendlebury would love to see photographs of the children part so please send them into school or email them to [office@innsworth-jun.gloucs.sch.uk](mailto:office@innsworth-jun.gloucs.sch.uk).

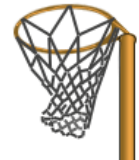

### Football at GL1

Last Tuesday, the boys' football team competed at the Gloucestershire indoor football tournament at GL1. The boys played some excellent football against some very talented opposition. Of the 5 matches they played; they won one, drew one and lost three. Well done!

### Netball Match

Last Friday, we battled bravely against a very good (and tall) King's netball team but were powerless to prevent a heavy loss. Unfortunately, due to injuries and absences our team was somewhat depleted but the remaining players played some very good netball.

### Netball Festival

On Wednesday, we joined over 20 other schools in an indoor netball festival. We used it as an opportunity to expose new players to the High-5 competition. Special mentions go to Aravela Vuki who displayed great tactical understanding and Harrison Turner-Walsh who was one of 5 children selected to play in an exhibition match. His good sportsmanship and attitude was recognised by our opposition coaches.

### Stay and Write

Thank you to everyone who attended our Stay and Write sessions. We hope you enjoyed them and have a greater understanding of how we teach writing. If you have any questions about writing in school please do not hesitate to ask your child's class teacher. We will be creating a book with all your descriptive writing and making it available in the school foyer.

### New Screens

We now have a new interactive screen in every classroom replacing the old smartboards. This, along with our improved broadband and investment in laptops and iPads, means our children have access to high quality information, communication technology to support their learning journey.

### Parents' Evening

On Monday, we will be texting you with a link to book a parents' evening appointment using our online booking system. If you have more than one child in school please make sure you leave at least 10 minutes between appointments. If your child has a MyPlan you will have received a letter with an appointment time for a meeting after half term and will not need a parents' evening session. Please return your slip as soon as possible.

### Non Uniform Day

Friday 9<sup>th</sup> of February is the last day of Term 3 and a non-uniform day. We hope you have a lovely half term and will see you all back at school on Monday 19<sup>th</sup> February.
