Friday 8th June 2018

Sports Day

Sports Day was very successful with all children being very active and taking part in a whole range of competitive activities. If you have any feedback on this event we would be happy to hear your thoughts, please speak to Mr Douglas or any of the staff on duty.

2 nd	Spitfire	2721
3 rd	Lancaster	2524
4 th	Gloster Gladiator	2283

Non-Uniform

Thank you for your donations on Friday 25th May. We raised £96.65 and the School Council have decided to donate this to The Pied Piper Appeal because they would like to support local children with health needs.

Family Festival

Innsworth Family Festival is planned for Friday 15th June and will take place on the Infant School Field. This is a free event with live music and children's dance performances. There will be face painting, glitter tattoos, craft stalls, bar and barbecue. Please join us on the Infant School field.

Sun Safety

Please make sure your children have applied sunscreen when the forecast is for sunshine. We recommend a long lasting type so there is no need to reapply during the school day. There are also sunscreen wipes and roll on versions that children can manage themselves. Children also need a named water bottle in school so they can stay hydrated. A labelled sun hat is also good idea.

Aspirations Week

The children enjoyed a range of experiences and found out about careers they may not have previously thought about. We had visits from an employee of GCHQ, an armed police officer, a chef, a Team GB Huskie racer, the fire service, a paramedic and some soldiers from the ARRC. The children's feedback has been very positive and we hope this has helped them develop aspirations for their own futures. Thank you to Mr Douglas and Mrs Pendlebury for organising this.

Year 6 Fund Raising

The children in Ruby and Sapphire classes are raising funds for their end of term trip. They are asking for donations of tombola prizes for their stall at the Family Festival. They will also be holding fundraising Friday events all term – look out for texts about these and please bring some money to purchase the things they have on offer.

Grammar School Applications

If you wish to enter your Year 5 child for the grammar school test, online applications are now open and close on 30th June. Our school is not involved with this process and parents need to arrange it independently through the following link.

<https://www.gloucestershire.gov.uk/education-and-learning/school-admissions/grammar-schools/>

Circus Skills & Orienteering

This week the children have taken part in some sports enrichment opportunities funded with our 'sports premium'. Children enjoyed an adventure around the school grounds using maps and compasses. They also had the opportunity to use diablos, spin plates and balance peacock feathers.

Science Week

Next week is Science Week. The children will have some hands on work with practical investigations and experiments. Please ask them about what they have learned and look for the picture on Twitter and the front page of our website.
