

NEWSLETTER

Friday 9th November 2018

Remembrance

Thank you for supporting the British Legion by purchasing remembrance poppies and other merchandise on sale in the school office. The children have been learning about the significance of the poppy. The Year 5 and 6 children were visited by Chris Auker-Howlett from Glos100 who brought WW1 artefacts and gave a presentation about 100 years of remembrance.

Children in Need

On Friday 16th November, in order to raise funds for Children in Need, the children can add something spotty to their uniform. This could be just adding a spotty scarf or some sticker spots to their school jumper. Or they could swap part or all of their uniform for spotty clothes. We will be collecting donations and hope to raise plenty of money for this good cause.

Harvest

Thank you to everyone for your generous donations to our Harvest Festival last term. Gloucester Foodbank were very grateful for the much needed gifts. I am sure you all agree that each class made a lovely contribution to our harvest celebration and the children also all sang beautifully.

Service Children

If a member of your immediate family is in the armed forces and is deployed away from home please can you let your child's teacher know or email our family liaison advisor, Gosia. fla@innsworth.gloucs.sch.uk We will then be able to put in additional support if it is needed, such as attending a lunch time club or joining in with supported play in the playground.

Football

On Thursday 18th October, Innsworth travelled to Grange Primary School for their latest football fixture. The game was extremely tight with both teams creating chances. However, Innsworth ran their opponents into the ground and with only 1 minute remaining Melvin Gurung scored a wonderful solo goal to win the match. Man of the match: Callum Young who worked his socks off.

Netball

Since our last newsletter, the Netball team have played three fixtures, winning two of them. Their first fixture against Shurdington was a resounding success which they won extremely comfortably. Their second fixture was a tight victory versus Croft Primary, and their latest match was a loss to Coney Hill. Over the past few weeks it has been wonderful to see how much the children have improved their movement on and off the ball whilst using a varied game. They are playing some superb netball. We are also very pleased to have extended the squad with Jeanne Pourcelet making her first appearance for the school.

Parent Teacher Meetings

Thank you to everyone who attended Parent Teacher meetings this week. I know that by working together we can best support your child on their learning journey.
