Innsworth Schools' Family Festival

Thank you to everyone who helped with this event. A huge thank you to the MOD chefs for an amazing barbecue. Thank you to Mr Fountain and Mr Pukk for assistance with stocking the bar. We are grateful to Walls for donating the ice-cream and Mr Smith for providing the bouncy castles. Thank you to the staff who helped to set up, man stalls and clear up after the event. Also to the wider community, including Innsworth Pre-School, who provided additional stalls (we hope you all made money for the various causes you were representing). The schools made £815.80 profit which will go towards additional resources for the children in both schools. In addition the Tolson Tombola made £215 towards the Year 6 end of year celebration.

Book Fair

Thank you for supporting the book fair we were able to buy £351.97 worth of books for our school library.

Hot Weather

Please can you make sure your child has a named water bottle in school. We have chilled, filtered water dispensers and actively encourage children to drink regularly during the day. We recommend applying a long lasting suncream at the start of the day and bringing a hat to school.

Science Week

Our Science Week was a great success. The children enjoyed a range of practical investigations. The older children had a great time teaching the visiting Y2s about reflection and helping them to make a periscope.

After School Club

The refurbishment of the Elliot building has been completed and staff have now been appointed for September. We are really excited about the range of activities that will be on offer and the additional facilities children will be able to access. Booking forms will be available from next week.

Athletics Success

Well done to all the children who represented Innsworth Junior School at the Primary Athletics Championship last Monday, 12th June, at the Prince of Wales Stadium in Cheltenham. A special mention to the children who won individual medals in track and field. Silver medals: Callum King (2), Riley Cox (2), Rebek Shrestha, Jack Kirsch, Michael Cole, Aimee Bell, Millie Vuanicau, Chloe Ryder, Jessica Walton, Kiera Mitchell, Chloe-Jai Maguire, Hollie Rogers. Bronze Medals to Kiera Mitchell, Jake Wicks, Chloe-Jai Maguire, Callum Wicks and Dylan Mends.

How safe is your child?

Gloucestershire Fire and Rescue Service is offering free checks of car seats. To book an appointment (evenings available) please call 08001804141 or visit the road safety pages of their website and complete the form. www.glosfire.gov.uk

Bike Safety

The week beginning 10th July is our Bikeability training week. Mr Dadge has kindly offered to carry out safety checks and bicycle repairs. If you would like him to look at your child's bike he will be in the playground before and after school during this week.
