

Football

Yesterday Innsworth Juniors beat Castle Hill 5-1 in a very impressive performance. The boys, wearing their new kit, took to the field full of confidence following their 4-3 win over Coney Hill last week. Their constant hassling of the opposition and willingness to work hard for each other epitomised the Innsworth spirit and helped the children overwhelm their opposite number. Some slick passing and quick thinking allowed us to score 5 very attractive goals. However, special mention goes to the teams defenders; Jordan Anderson, Lewis Stokes and the extremely impressive goalkeeper, Harrison Turner-Walsh who did everything they could to stop the opposition attack.

The boys have now won two from two and sit top of their league. Well done!

Stay and Calculate

We hope you all enjoyed the stay and calculate event organised by Mrs Desborough. We know that the children really loved sharing the maths games with you. They are available in the curriculum area of our website so you can refer to them and play them at home.
