Friday 17th November 2017

Stars of the Week

Last week's stars were Junior, Angel, Oscar, Casey and Robyn. This week's stars of the week are Gian-Carlo, Maya, Kaden, Sophie and Lacie-Jade. We are very proud of the efforts children are making with their learning and how they have started to think about the values we are discussing in our assemblies.

We would also like to congratulate Bentley for representing the Infant School in yesterday's Primary

Cross County Championships held at Beaufort Academy. Well done for being our sole ambassador and your amazing achievement!

Christmas Fayre

All sorts of exciting things have been arranged for this event. Please put the date in your diary, **Friday 1st December 5pm-7pm** held at Innsworth Junior School and make sure you don't miss it! Father Christmas has confirmed he will be there and the Year 6 children will have a room full of fundraising games. There will be a van selling hot food and cold drinks. A photo booth, pocket money stall, gifts, crafts and cake decorating. In the next few weeks we will be asking for donations of chocolate for the tombola and raffle prizes. Please support us if you can – this money funds extra experiences and resources for your children.

Road Safety Week

The week beginning 20th November is road safety week. To raise funds for Guide Dogs for the Blind there will be safety reflectors on sale after school in the playground on Monday 20th and Tuesday 21st. Items are available for between 50p and £2. Wearing something reflective helps make the children more visible to drivers in the dark mornings and evenings.

Circus Workshop

Thank you to The Friends of Innsworth School for funding the circus skills workshop. The children had a great time and realised they could master new skills by focusing and trying their hardest. We were very impressed with their peacock feather balancing. There are some fantastic photographs on the Twitter feed which can be found on the front page of our school website.

Dropping Off and Collecting

Please make sure your children are closely supervised at the start and end of the school day. Could you also make sure all children, including pre-schoolers, are kept away from the early years resources including the mud kitchen and climbing frame.

PSHE Day

Thursday was PSHE day. The children had the opportunity to work in mixed age groups on a range of activities organised by Miss Bloomfield. They learned about the work of guide dogs and carried out a blindfold activity in order to empathise with people who cannot see. Children talked about what makes a good friend and made friendship bracelets. They talked about road safety and took part on mindfulness activities including yoga.

Children in Need

Thank you for your amazing cakes and generous donations today. So far we have raised £103.95 but We will let you know the final total after the cake sale early next week.

After School and Breakfast Club bookings

Please make sure you book your places on club in advance. Numbers are going up and we may not be able to accommodate last minute bookings. Our terms and conditions include a 50p admin fee for every session booked last minute and from now on this will be charged. In addition please note that we cannot refund last minute cancellations for any reason.
