Flu Protection

The NHS in Gloucestershire has launched its annual flu campaign this month. There is a short video clip for parents of young children aged 2 to 7 available to view on this link: www.gloucestershireccg.nhs.uk/your-health/health-topic/winter/seasonal-flu/seasonal-flu-vaccination/ The video emphasises the importance of protecting your children against flu which can often hit them harder than adults or older children. Vaccination is by nasal spray i.e. no injections! Contact your local medical centre to arrange an appointment.

Harvest Festival

Well done to all the children for creating such a lovely Harvest event. It was lovely to see so many family members turn out to support them. We hope that you enjoyed 'The Little Red Hen' and the songs the children had prepared. A video is available on our website www.innsworthinfant.org.uk

PSHE Day

Thursday 3rd November as part of PSHE day we will be focusing on the following topics : 'people who help us', 'mindfulness', 'the importance of sport and keeping healthy' and 'stranger danger.'
