Welcome Back

We hope you had a good Christmas and would like to wish everyone a Happy New Year! The children have made a good start to the new term. In Key Stage One they have begun thinking about 'How can eating 5 a day keep us healthy?' In Reception children are exploring the question 'How do we make sense of the world?'

Safeguarding

Please note that Infant children should not be viewing films or playing video games with certificates of 12, 15 or 18. Schools have been advised to log access to age inappropriate materials as a safeguarding and child protection concern.

After School and Breakfast Club bookings

Please make sure you book your places on club in advance. Numbers are going up and we may not be able to accommodate last minute bookings. Our terms and conditions include a 50p admin fee for every session booked last minute and from now on this will be charged. In addition please note that we cannot refund last minute cancellations for any reason.

Reading

We have been having a big focus on reading and have had all our library books sorted. Your child should have a new bookmark indicating their reading level. This has some ideas for questions to ask when you are reading together. When they move up a book band they will receive a new coloured bookmark.

Well done to all the children who took part in the 'round the world' reading challenge over Christmas. We awarded a large number of certificates today and presented those who made it all the way around the world with an Innsworth Infant School pencil.

We are very keen for children to always have their reading record in school with them and so we will be awarding them a raffle ticket every time a member of staff asks for it and they have it. At the end of the term we will draw the raffle and one child in each year will win a book to keep.

Roof Works

The scaffolding is up for the final stage of renovation work on the roof. This will insure that we have no leaks to our flat roof and improve the insulation of the building. Please keep children away from the fenced off areas on your way in and out of school.

Job Opportunities

We are looking for bank staff to join our After School and Breakfast Club team. You will require experience working with children and a DBS check. If you would like more information please contact our Schools' Business Manager, Gillian Blythe, at the Infant School on 01452 730780.

Peanuts

Please make sure that there are no nuts or nut products such as peanut butter in your child's lunchbox as we have people in school who are highly allergic. Thank you.

Dates

30/1/18	Stay and Write Year 1&2
31/1/18	Stay and Play Reception
