Staff News

Our Family Liaison Advisor, Gosia, has been recruited to train as a mental health education worker with the NHS. We would like to congratulate her on this career move. Gosia will be leaving us at half term.

Although our budget is very tight we have some grant funding from the MOD to maintain pastoral and family support and so we have advertised for a new Family Liaison Advisor and will be interviewing candidates next term. In the meantime if you require any support or advice Mrs Steele, Miss Schofield, Mrs Monk and I are available.

Triple P Parenting

There are still places available at our final parenting workshop to be held at the Junior School on Managing Fighting and Aggression on 5th February 9.30-11.30am. This involves a relaxed group session, with tips and suggestions for dealing with your child's behaviour.

Please see Gosia to book a place or call Glos Families Directory on 01452 427362.

Parent Teacher Meetings

Infant School bookings for Parent Teacher meetings are open, if you have not received any information about this please contact the Infant School Office on 01452 730780.

Parents of children with a MyPlan in either school will also have been invited to a meeting with both their child's teacher and the SENCO, Mrs Steele.

Information about booking for Junior School Parent Teacher meetings, which take place in March, will be sent out before half term.

INSET reminder

Both schools will be closed for staff training on Friday 15th March. Mrs Blythe, our Business Manager, has written to you offering childcare on this date. Please make sure you let her know if you are interested in booking this as we will only be able to run it if enough children attend to cover our costs.

Half Term Club for Juniors

Half Term is on the horizon, and you might want to start planning activities for the children. Well why not come along to a sports camp run in Innsworth? On the 18th 19th February (10-3pm) a Multi-sports camp will be running in Innsworth Community Hall lead by Nathan Youlton from PSALMS, alongside Rev'd Jacqui and the local churches, to offer an active couple of days for local children to have fun, play a huge variety of sports and explore a bit about the Christian faith.

Junior children will have received a booking form with all the details, so just hand them straight in to the school office. Any further questions, email Nathan.youlton@psalms.uk.net.

Arts Projects

We would like to thank The Arts Society West Gloucestershire for their donation for the Junior School to buy a class set of ukuleles. Children in Sunstone, Emerald and Moonstone classes are enjoying learning to play a new musical instrument. Photos of this are available on our Junior Twitter feed. The Infant School have also received a donation which will fund some clay workshops in Terms 5 and 6.
