Summer

We hope you have been enjoying the warm weather as much as your children have. Please make sure your children have a water bottle in school as it is important they stay hydrated. We also advise that a named sun hat is provided in hot weather. Good sun protection is important and we advise applying a long lasting sun cream before school. If you feel your child needs to reapply sun protection during the day then sun wipes or roll on sunscreen is much more manageable. It is important that this is clearly named.

PE Kit

Please make sure children have a PE kit in school every day with footwear suitable for outside games. In the good weather teachers may take the opportunity to vary the timetable for outdoor activities. We have noticed that some children take their PE kit home following a club and then do not have it for their lesson so it might be worth considering providing something different to wear for after school clubs. You will be texted if your child is missing their PE kit.

GDPR

The General Data Protection Regulation (GDPR) will apply from 25th May 2018 and will affect the way that schools process people's personal data. Its overall aim is to make sure that people's sensitive data is kept safe and secure. It is similar to the Data Protection Act (DPA) 1998 - most of the differences involve the GDPR building on/strengthening the principles of the DPA. Both schools are compliant with the DPA now and with much of the GDPR already but you may notice changes to some of our procedures over the coming months.

Staffing

We have advertised for a new teacher at the Infant School from September 2018. This is to replace Mr Bebbington who has taken the decision to move on to new challenges. We know he will be missed by children, parents and staff.

At present Mrs McLeod is still covering in Emerald Class but we have been visited by Mrs Desborough who is on the mend and hoping to be well enough to return to work soon.

Dates

Term dates can be found on the school websites as well as a calendar of events. Below are the dates for next term. We will include updates on regular newsletters.
