Friday 15th February 2019

Stars of the Week

Last week's stars were Chyanne, Jack, Arianna, Teddy and Leah-Mae. This week's stars are Sharon, Samyuna, Rohij, Henry and Kayden.

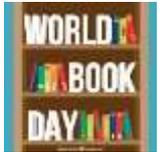

Parent Teacher Meetings

Thank you for your attendance at our parent teacher meetings. Your support in your child's education will benefit them enormously.

World Book Day

There are all sorts of exciting activities planned for World Book Day on Friday 8th March including a visit from illustrator Hannah Shaw. A separate letter has been sent with further information about this.

Finch Classroom Change

Finch children have now moved classrooms and are entering school by a different doorway. To avoid crowding around the school gate you may want to wait with your child inside the gate on the playground where they can play safely. When Miss Bloomfield opens her door and rings the bell you can then make your way back to the classroom entrance.

Building Work

Over the last week the builders have moved onto the school site and made a start on the project. When the children return after the half term some changes will have taken place. Both Wren and Starling classes will have a new entrance close to the corners of the school building. We should also have more play space at the front of the school as the boundary with the pre-school is being altered.

James Hopkins Trust

Thank you for your donations today. The children have raised a total of £107.09 for the James Hopkins Trust and have really enjoyed the chance to wear their home clothes to school.

Doodle Maths

The teachers have noticed that children who are using this regularly at home are making really good progress with their maths skills. Thank you for encouraging and supporting this. Also thank you to those parents who fed back to Miss Preest about Doodle Maths home activities.
