Stars of the Week

Stars of the week for last week were Swayam, Scarlett, Leah, Holly and Benett. This week's stars are Linda, Paige, Hollie, Lexie and Evie

Reception Parent survey

Tell BookTrust what you think about The Bumblebear book you received in this short survey bit.ly/Time2Read17 and you could win a selection of books for your child.

Who are the characters in my books?

The children in Reception (Finch and Starling classes) have been enjoying finding out about different book characters. Please ask them about the characters they have learned about, such as The Gruffalo and Mr Grumpy. It is also worth identifying the main characters in the books they are reading at home and talking about them together.

What where the people like who lived in a Medieval Castle?

The children in KS1 (Wren, Robin and Kingfisher classes) are enjoying their new topic finding out about life in a medieval castle. So far they have found out how castles have changed over time and compared them with their own homes. They are looking forward to their banquet on Friday 25th May when we hope to see them dressed for the occasion.

Ready to Learn

Please make sure your children have their water bottles and PE kits in school so they are ready to learn. At this time of year we are often flexible about when PE takes place, making the most of the good weather, and so it is important that their kit is in school at all times.

E-Safety

Follow this link for a short video on the importance of teaching your child to be share aware online. <https://www.nspcc.org.uk/preventing-abuse/keeping-children-safe/share-aware/>.

Panathlon Challenge

Well done to the children who represented our Partnership at the Panathlon challenge event. Mrs Steele was very proud of the way they participated in this sports event with other local schools.

Stay and Explore

You are invited to join your child for our 'stay and explore' event on Tuesday 22nd May at 2.30. There will be a range of hands on science activities which we hope will inspire you for things to do over the half term holiday. Most activities are planned for outdoors and so this event may be cancelled in the case of bad weather.
