Stars of the Week

Our Stars this week are Ciaran, Ashton, Brethsha and Summer; well done!

World Book Day

The children had a fantastic day last week enjoying the activities planned for them by both our Deputy Heads Mrs Monk and Mrs Pendlebury. The creative range of vegetable book characters was really impressive and it was lovely to see our infant children reading with the older children from the Junior School. Take a look at our twitter feed for photos from the day, this can be seen on the front page of our website.

School Money Online

Thank you to those of you who have signed up to our new online payment system to pay for the school trip. Please note that the school is planning on going cashless from September 2017 so if you would like some help using the new system now is a good time to come and ask at the school office.

Competition

Well done to all the children who took part in the Dinosaur poster competition for Gloucester Museums. Everyone who entered has received a dinosaur sticker. Congratulations to Billy Thrower whose poster is being put forward in to the countywide competition; good luck Billy.

Writing Challenge

Remember there is a new picture for the writing challenge being sent home each week. If you are missing any these are available on our website or from the school office.

Safety

Thank you for your understanding about site safety and the need for classroom doors to remain locked until 9am. We also appreciate the number of parents who are parking considerably slightly further from the school gates. This has freed up parking spaces for those with mobility issues. Please make sure you drive carefully and park considerably when dropping off and picking up your children.

Books

You have all been sent a scholastic book flier. This is a good opportunity for you to spend your child's world book day voucher and raise funds for the school to invest in more books. Please place your orders by March 24th.

Maths at Home

Help your children to become familiar with money. Look at, sort and count the different coins in your purse or their moneybox.

Comic Relief

The children held their VOICES event this week and after a short presentation from the Junior School Council have decided they would like to donate a pound and wear as much red as they can on comic relief day (Friday March 24th). There will be a prize for the child dressed wearing the most number of red items. Red noses are available for sale at the Junior School.
